

## **Jean-Yves Duclos bio**

Jean-Yves Duclos is a Professor in the Department of Economics at Université Laval, where he has taught since completing his Masters in 1989 and PhD in 1993 at the London School of Economics. He is also the Quebec Scholar for the CDHI. He received his Bachelors in Economics from the University of Alberta.

Jean-Yves is the author of numerous publications in such journals as *Econometrica*, the *Journal of Public Economics*, and the *CJE*. He was president of the *Société canadienne de science économique*, 2005–2006, and is a co-editor of the *Journal of Economic Inequality*. He is also Director of CIRPEE (Inter-university Research Centre on Risk, Employment and Economic Policy) as well as network leader of the international Poverty and Economic Policy (PEP) research network. His main areas of research interest are Public Economics, Econometrics, and Development Economics.
